Dear Mr. Chairman:

Section 1061(k) of the National Defense Authorization Act (NDAA) for Fiscal Year 2017 (P.L. 114-328) directs the submission of a list of reports to Congress that will no longer be required to be submitted as of November 25, 2017, under the terms of section 1080 of the NDAA for Fiscal Year 2016 (P.L. 114-113; 10 U.S.C. 111 note).

The attached list contains the reports as of December 23, 2016, that will terminate on November 25, 2017, by operation of section 1080. It was compiled by examining the list of reports submitted to Congress on March 10, 2016, in accordance with section 1080 and removing the reports exempted from termination under section 1061.

The Department understands the necessity of reporting and the constitutional mandate of congressional oversight, but also appreciates any congressional initiative to lessen the burden of reporting requirements, particularly in the midst of staff reductions. The Department urges the continued modernization of the reporting regime.

A similar letter is being provided to the Chairmen of the congressional defense committees.

Sincerely,
