10 USC 1408.

"§ 1408. Payment of retired or retainer pay in compliance with court orders

Definitions.

"(a) In this section:

"(3) 'Final decree' means a decree from which no appeal may be taken or from which no appeal has been taken within the time allowed for taking such appeals under the laws applicable to such appeals, or a decree from which timely appeal has been taken and such appeal has been finally decided under the laws applicable to such appeals.

"(4) 'Disposable retired or retainer pay' means the total monthly retired or retainer pay to which a member is entitled

(other than the retired pay of a member retired for disability under chapter 61 of this title) less amounts which— 10 USC 1201 *et seq.*

"(A) are owed by that member to the United States;

"(B) are required by law to be and are deducted from the retired or retainer pay of such member, including fines and forfeitures ordered by courts-martial, Federal employment taxes, and amounts waived in order to receive compensation under title 5 or title 38; 5 USC 101; 38 USC 101.

"(C) are properly withheld for Federal, State, or local income tax purposes, if the withholding of such amounts is authorized or required by law and to the extent such amounts withheld are not greater than would be authorized if such member claimed all dependents to which he was entitled;

"(5) 'Member' includes a former member.

"(6) 'Spouse or former spouse' means the husband or wife, or former husband or wife, respectively, of a member who, on or before the date of a court order, was married to that member.

"(b) For the purposes of this section—

"(1) service of a court order is effective if—

"(A) an appropriate agent of the Secretary concerned designated for receipt of service of court orders under regulations prescribed pursuant to subsection (h) or, if no agent has been so designated, the Secretary concerned, is personally served or is served by certified or registered mail, return receipt requested;

"(B) the court order is regular on its face;

"(C) the court order or other documents served with the court order identify the member concerned and include the social security number of such member; and

"(D) the court order or other documents served with the court order certify that the rights of the member under the Soldiers' and Sailors' Civil Relief Act of 1940 (50 U.S.C. App. 501 et seq.) were observed; and

"(2) a court order is regular on its face if the order—

"(A) is issued by a court of competent jurisdiction;

"(B) is legal in form; and

"(C) includes nothing on its face that provides reasonable notice that it is issued without authority of law.

"(c)(1) Subject to the limitations of this section, a court may treat disposable retired or retainer pay payable to a member for pay periods beginning after June 25, 1981, either as property solely of the member or as property of the member and his spouse in accordance with the law of the jurisdiction of such court.

"(2) Notwithstanding any other provision of law, this section does not create any right, title, or interest which can be sold, assigned, transferred, or otherwise disposed of (including by inheritance) by a spouse or former spouse.

"(3) This section does not authorize any court to order a member to apply for retirement or retire at a particular time in order to effectuate any payment under this section.

"(4) A court may not treat the disposable retired or retainer pay of a member in the manner described in paragraph (1) unless the court has jurisdiction over the member by reason of (A) his residence, other than because of military assignment, in the territorial jurisdiction of the court, (B) his domicile in the territorial jurisdiction of the court, or (C) his consent to the jurisdiction of the court.

"(d)(1) After effective service on the Secretary concerned of a court order with respect to the payment of a portion of the retired or retainer pay of a member to the spouse or a former spouse of the member, the Secretary shall, subject to the limitations of this section, make payments to the spouse or former spouse in the amount of the disposable retired or retainer pay of the member specifically provided for in the court order. In the case of a member entitled to receive retired or retainer pay on the date of the effective service of the court order, such payments shall begin not later than 90 days after the date of effective service. In the case of a member not entitled to receive retired or retainer pay on the date of the effective service of the court order, such payments shall begin not later than 90 days after the date on which the member first becomes entitled to receive retired or retainer pay.

"(2) If the spouse or former spouse to whom payments are to be made under this section was not married to the member for a period of 10 years or more during which the member performed at least 10 years of service creditable in determining the member's eligibility for retired or retainer pay, payments may not be made under this section to the extent that they include an amount resulting from the treatment by the court under subsection (c) of disposable retired or retainer pay of the member as property of the member or property of the member and his spouse.

"(3) Payments under this section shall not be made more frequently than once each month, and the Secretary concerned shall not be required to vary normal pay and disbursement cycles for retired or retainer pay in order to comply with a court order.

"(4) Payments from the disposable retired or retainer pay of a member pursuant to this section shall terminate in accordance with the terms of the applicable court order, but not later than the date of the death of the member or the date of the death of the spouse or former spouse to whom payments are being made, whichever occurs first.

"(5) If a court order described in paragraph (1) provides for a division of property (including a division of community property) in addition to an amount of disposable retired or retainer pay, the Secretary concerned shall, subject to the limitations of this section, pay to the spouse or former spouse of the member, from the disposable retired or retainer pay of the member, any part of the amount payable to the spouse or former spouse under the division of property upon effective service of a final court order of garnishment of such amount from such retired or retainer pay.

"(e)(1) The total amount of the disposable retired or retainer pay of a member payable under subsection (d) may not exceed 50 percent of such disposable retired or retainer pay.

"(2) In the event of effective service of more than one court order which provide for payment to a spouse and one or more former spouses or to more than one former spouse from the disposable retired or retainer pay of a member, such pay shall be used to satisfy (subject to the limitations of paragraph (1)) such court orders on a first-come, first-served basis. Such court orders shall be satisfied (subject to the limitations of paragraph (1)) out of that amount of disposable retired or retainer pay which remains after the satisfaction of all court orders which have been previously served.

"(3)(A) In the event of effective service of conflicting court orders under this section which assert to direct that different amounts be paid during a month to the same spouse or former spouse from the disposable retired or retainer pay of the same member, the Secretary concerned shall—

"(i) pay to that spouse the least amount of disposable retired or retainer pay directed to be paid during that month by any such conflicting court order, but not more than the amount of disposable retired or retainer pay which remains available for payment of such court orders based on when such court orders were effectively served and the limitations of paragraph (1) and subparagraph (B) of paragraph (4);

"(ii) retain an amount of disposable retired or retainer pay that is equal to the lesser of—

"(I) the difference between the largest amount of retired or retainer pay required by any conflicting court order to be paid to the spouse or former spouse and the amount payable to the spouse or former spouse under clause (i); and

"(II) the amount of disposable retired or retainer pay which remains available for payment of any conflicting court order based on when such court order was effectively served and the limitations of paragraph (1) and subparagraph (B) of paragraph (4); and

"(iii) pay to that member the amount which is equal to the amount of that member's disposable retired or retainer pay (less any amount paid during such month pursuant to legal process served under section 459 of the Social Security Act (42 U.S.C. 659) and any amount paid during such month pursuant to court orders effectively served under this section, other than such conflicting court orders) minus—

"(I) the amount of disposable retired or retainer pay paid under clause (i); and

"(II) the amount of disposable retired or retainer pay retained under clause (ii).

"(B) The Secretary concerned shall hold the amount retained under clause (ii) of subparagraph (A) until such time as that Secretary is provided with a court order which has been certified by the member and the spouse or former spouse to be valid and applicable to the retained amount. Upon being provided with such an order, the Secretary shall pay the retained amount in accordance with the order.

"(4)(A) In the event of effective service of a court order under this section and the service of legal process pursuant to section 459 of the Social Security Act (42 U.S.C. 659), both of which provide for payments during a month from the retired or retainer pay of the same

member, such court orders and legal process shall be satisfied on a first-come, first-served basis. Such court orders and legal process shall be satisfied out of moneys which are subject to such orders and legal process and which remain available in accordance with the limitations of paragraph (1) and subparagraph (B) of this paragraph during such month after the satisfaction of all court orders or legal process which have been previously served.

"(B) Notwithstanding any other provision of law, the total amount of the disposable retired or retainer pay of a member payable by the Secretary concerned under all court orders pursuant to this section and all legal processes pursuant to section 459 of the Social Security Act (42 U.S.C. 659) with respect to a member may not exceed 65 percent of the disposable retired or retainer pay payable to such member.

"(5) A court order which itself or because of previously served court orders provides for the payment of an amount of disposable retired or retainer pay which exceeds the amount of such pay available for payment because of the limit set forth in paragraph (1), or which, because of previously served court orders or legal process previously served under section 459 of the Social Security Act (42 U.S.C. 659), provides for payment of an amount of disposable retired or retainer pay that exceeds the maximum amount permitted under paragraph (1) or subparagraph (B) of paragraph (4), shall not be considered to be irregular on its face solely for that reason. However, such order shall be considered to be fully satisfied for purposes of this section by the payment to the spouse or former spouse of the maximum amount of disposable retired or retainer pay permitted under paragraph (1) and subparagraph (B) of paragraph (4).

"(6) Nothing in this section shall be construed to relieve a member of liability for the payment of alimony, child support, or other payments required by a court order on the grounds that payments made out of disposable retired or retainer pay under this section have been made in the maximum amount permitted under paragraph (1) or subparagraph (B) of paragraph (4). Any such unsatisfied obligation of a member may be enforced by any means available under law other than the means provided under this section in any case in which the maximum amount permitted under paragraph (1) has been paid and under section 459 of the Social Security Act (42 U.S.C. 659) in any case in which the maximum amount permitted under subparagraph (B) of paragraph (4) has been paid.

"(f)(1) The United States and any officer or employee of the United States shall not be liable with respect to any payment made from retired or retainer pay to any member, spouse, or former spouse pursuant to a court order that is regular on its face if such payment is made in accordance with this section and the regulations prescribed pursuant to subsection (h).

"(2) An officer or employee of the United States who, under regulations prescribed pursuant to subsection (h), has the duty to respond to interrogatories shall not be subject under any law to any disciplinary action or civil or criminal liability or penalty for, or because of, any disclosure of information made by him in carrying out any of his duties which directly or indirectly pertain to answering such interrogatories.

"(g) A person receiving effective service of a court order under this section shall, as soon as possible, but not later than 30 days after the date on which effective service is made, send a written notice of

such court order (together with a copy of such order) to the member affected by the court order at his last known address.

"(h) The Secretaries concerned shall prescribe uniform regulations for the administration of this section." Regulations.

NATO DEFENSE INDUSTRIAL COOPERATION

SEC. 1122. (a) The Congress finds that— 22 USC 1928 note.

(1) the United States remains firmly committed to cooperating closely with its North Atlantic Treaty Organization (hereinafter in this section referred to as "NATO") allies in protecting liberty and maintaining world peace;

(2) the financial burden of providing for the defense of Western Europe and for the protection of the interests of NATO member countries in areas outside the NATO treaty area has reached such proportions that new cooperative approaches among the United States and its NATO allies are required to achieve and maintain an adequate collective defense at acceptable costs;

(3) the need for a credible conventional deterrent in Western Europe has long been recognized in theory but has never been fully addressed in practice;

(4) a more equitable sharing by NATO member countries of both the burdens and the technological and economic benefits of the common defense would do much to reinvigorate the North Atlantic Treaty Organization alliance with a restored sense of unity and common purpose;

(5) a decision to coordinate more effectively the enormous technological, industrial, and economic resources of NATO member countries will not only increase the efficiency and effectiveness of NATO military expenditures but also provide inducement for the Soviet Union to enter into a meaningful arms reduction agreement so that both Warsaw Pact countries and NATO member countries can devote more of their energies and resources to peaceful and economically more beneficial pursuits.

(b) It is the sense of the Congress that the President should propose to the heads of government of the NATO member countries that the NATO allies of the United States join the United States in agreeing—

(1) to coordinate more effectively their defense efforts and resources to create, at acceptable costs, a credible, collective, conventional force for the defense of the North Atlantic Treaty area;

(2) to establish a cooperative defense-industrial effort within Western Europe and between Western Europe and North America that would increase the efficiency and effectiveness of NATO expenditures by providing a larger production base while eliminating unnecessary duplication of defense-industrial efforts;

(3) to share more equitably and efficiently the financial burdens, as well as the economic benefits (including jobs, technology, and trade) of NATO defense; and

(4) to intensify consultations promptly for the early achievement of the objectives described in clauses (1) through (3).

(2) Development of a forum through which the United States and the Soviet Union could exchange information pertaining to nuclear weapons that could potentially be used by third parties or terrorist groups.

(3) Development of measures for building confidence between the United States and the Soviet Union for improved crisis stability and arms control, including—

(A) an improved United States/Soviet Union communications hotline for crisis control;

(B) improved procedures for verification of any arms control agreements;

(C) measures to reduce the vulnerability of command, control, and communications of both nations; and

(D) measures to lengthen the warning time each nation would have of potential nuclear attack.

Report to congressional committees.

(b) The Secretary of Defense shall submit a report of the study and evaluation under subsection (a) to the Committees on Armed Services and Foreign Relations of the Senate and the Committees on Armed Services and Foreign Affairs of the House of Representatives by February 1, 1983. (2) press vigorously in every appropriate forum for a full explanation of outstanding allegations concerning Soviet and Soviet-proxy use of chemical weapons in violation of international law; and

(3) communicate to the Government of the Union of Soviet Socialist Republics the earnest desire of the Government of the United States for a comprehensive, verifiable ban on chemical

weaponry and the willingness of the Government of the United States to participate in negotiations toward this end as soon as the Government of the United States can be satisfied that the Soviet Union is not in violation of existing international accords applying to the prohibition of first use of chemical weapons and the production and transfer of biological weapons and that the Soviet Union is prepared to agree to provisions needed to ensure the verifiability of an accord banning chemical warfare.

"(4) Defense articles purchased by an allied country from the United States under the Arms Export Control Act (22 U.S.C. 2751 et seq.) or from a commercial source under the export controls of the Arms Export Control Act may not be transported (for the purpose of delivery incident to the purchase of the defense articles) to the purchasing allied country on aircraft operated by or for the military forces of the United States except at a rate of reimbursement that is equal to the full cost of transportation of the defense articles, as required by section 21(a)(3) of the Arms Export Control Act (22 U.S.C. 2761(a)(3)).

"(b) Subject to the availability of appropriations, and after consultation with the Secretary of State, the Secretary of Defense may enter into nonreciprocal military airlift agreements with North Atlantic Treaty Organization subsidiary bodies for the transportation of the personnel and cargo of such subsidiary bodies on aircraft operated by or for the military forces of the United States. RECOGNITION OF NATIONAL GUARD AND RESERVE FORCES

SEC. 1130. (a) The Congress finds that— 38 USC 2021 note.

(1) the National Guard and Reserve Forces of the United States are an integral part of the total force policy of the United States for national defense and need to be ready to respond, on short notice, to augment the active military forces in time of national emergency;

(2) attracting and retaining sufficient numbers of qualified persons to serve in the Guard and Reserve is a difficult challenge during a period in which authority to induct persons for training and service in the Armed Forces is not provided by law; and

(3) the support of employers and supervisors in granting employees a leave of absence from their jobs to participate in military training without detriment to earned vacation time, promotions, and job benefits is essential to the maintenance of a strong Guard and Reserve force.

(b)(1) It is, therefore, the sense of Congress that the citizen-military volunteers who serve the Nation as members of the National Guard and Reserve require and deserve public recognition of the essential role they play in the national defense, and particularly require and deserve the support and cooperation of their civilian employers, in order to be fully ready to respond to national emergencies.

(2) The Congress recognizes, and requests all citizens to recognize, the vital need for a trained, ready National Guard and Reserve in the national defense posture of the United States and urges and requests employers and supervisors of employees who are members of the National Guard or Reserve to abide by the provisions of chapter 43 of title 38, United States Code, by granting a leave of absence for military training, exclusive of earned vacation, to employees who are members of the Guard and Reserve and by providing such employees equal consideration for job benefits and promotions as all other employees.
